

Nodo d'amore

WINE LABEL - SCALE 1:1
100 x 140 mm

Two faces, two lovers.

Romeo and Juliet is a story filled with requited but unattainable love. The label represents just this, the faces of the two inseparable lovers reaching around the bottle, infinitely close yet never touching.

The design of the label suggests a tragic atmosphere with a black backdrop behind the mask-like faces while the colored surfaces represents their passion and the sensuality of their love.
